

Class Action Summary

Traditional Blood Reagents Antitrust Class Action Settlement

*This is not an official Court Notice.
Information contained in this summary is subject to change.*

If you or your business purchased Traditional Blood Reagents from **November 4, 2000 through October 19, 2015**, you may be entitled to participate in the **\$41.5 million** recovered in class action settlements.

**Filing Deadline: The deadline to file a claim has passed. Dynamic Settlement Group is still filing claims for new clients.
Acceptance is subject to Court approval.**

Eligible Class Members: Eligible class members include all persons or entities (excluding federal governmental entities) who or which, from November 4, 2000 through October 19, 2015, purchased “Traditional Blood Reagents” (defined below) in the United States **directly** from either of Immucor, Inc. (“Immucor”) or Ortho-Clinical Diagnostics, Inc. (“Ortho”) (collectively, the “Defendants”).

Definition of “Traditional Blood Reagents”: For purposes of this litigation, the term “Blood Reagents” includes immunohematology products designed and manufactured to test, match, detect, screen, diagnose and/or otherwise identify certain properties of the cell and serum components of human blood. This includes Traditional Blood Reagents (blood reagents primarily used to test blood manually in test tubes). In contrast, Proprietary Blood Reagents are blood reagents primarily used to test blood in automated and/or semi-automated platforms and include Ortho’s ID-MTS gel products and Immucor’s Capture products. This summary pertains to only Traditional Blood Reagents and does not include Proprietary Blood Reagents and/or Ortho’s 0.8% red blood cell reagents.

Case History: Several lawsuits were filed in May 2009 alleging that the Defendants’ participated in conduct that impacted the pricing of Traditional Blood Reagents. These lawsuits were consolidated before Judge DuBois in the Eastern District of Pennsylvania. At this time, the class has entered into a settlement with Immucor in the amount of \$22 million (the class period for the Immucor settlement ends on February 23, 2012) and Ortho in the amount of \$19.5 million (both settlements received final approval). The settlement funds (less expenses, noticing costs and fees) will be distributed at the completion of a claims process.

Class Counsel or the Settlement Administrator may be contacted for additional settlement information.

Please understand that you have the right to file on your own.

About DSG: In today’s fast-paced business climate, companies contend with many challenges while striving to be competitive as well as profitable. Each year corporations miss opportunities to recoup thousands of dollars they are owed from various types of class action settlements related to price fixing or overcharges. Taking the necessary action to follow-up on these matters can be time-consuming, as well as costly, for company executives focused on maintaining daily operations along with performing a myriad of other managerial responsibilities vital to the company’s success. Dynamic Settlement Group (DSG) assists companies recover settlement money owed to them so they can focus critical time and energy on the more substantive aspects of their business. Our simple, yet effective, approach is rooted in expertise, efficiency and value. We manage the claims management process from start-to-finish so companies and their busy executives don’t have to. DSG prepares and submits the court filings, conducts case monitoring and manages all of the communication and correspondence with the Claims Administrator to ensure organizations receive the maximum refund amount they are owed. Dynamic means “a system or process characterized by constant activity and progress”. As our name implies, DSG works tirelessly for its clients, pursuing claims recovery and securing monetary returns on their behalf.
